**ALL ABOUT THE BRECHT PTO:
VIOLIN PROGRAM**

It is a Spring Semester PTO funded program that began in the 2013-2014 school year.

This program caters exclusively to Brecht Elementary students.

Student violins are provided and maintained by the Brecht PTO.

Instruction occurs two times a week for one hour for approximately 10+ weeks (generally March through May) with a total of twenty lessons and two performances.

The program's intent is to provide a basic introduction to the violin in a classroom group setting.

**Hands on Violin +
Learning about Music =
FUN!**

Students in the program learn:

- *Proper violin posture and positions
- *Parts of the violin and proper care
- *String names, rhythm, music vocabulary
- *Playing basic bow rhythms on open strings - using fingers if possible
- *Stage presence and performance etiquette

**DID YOU KNOW THAT
TO DATE...**

This program has reached almost **140 students** and has developed in them a deeper appreciation for **music & the arts**

Many of these students were inspired to continue violin or learn another instrument and or participate in music and the arts at Landis Run Intermediate, the Middle School & High School in Manheim Township School District.

Our mission is to nurture students' love of learning through music.
