Brecht Garden Report March

No doubt you have seen, numerous spring flowers are beginning to make their appearance. I'm not convinced we're over the winter weather; however, it's still time to begin planning for the spring garden classes. Each student from kindergarten through 3rd grade will visit the garden with their class once during the spring for a lesson and an opportunity to plant a flower or vegetable. Each 4th grade class will have numerous opportunities to plant/work in the garden, work on a project to learn more about herbs and create poetry inspired by colors in our own rainbow garden. This spring we will also meet and provide a garden introduction class to the Owl Hill pre-k students. And yes, parent volunteers will be needed once again for each class visit to the garden. A signup genius link will be shared once the spring garden calendar is confirmed. I am currently working to complete two separate grant applications to help with plant purchases this Spring, supplies for a possible summer garden class, replenishing the rocks in the rock garden, mulch for our spring maintenance, etc. Those deadlines are set for April, so I'm not sure when we would be informed if we receive any grant funds. We are hoping to schedule a spring garden maintenance as early as Saturday, March 25; however, that date has not yet been confirmed. In the meantime, please pencil in the date, and we will confirm the date/time ASAP. Should you wish you to be included in any random dates/times when we will be working in the garden, please email me at brechtgarden@gmail.com. Thank you for your part of the continued support of our Brecht Garden! There are many exciting opportunities to come and your support is so important and very appreciated!

Brecht Violin Program needs your help!

The Brecht Violin Program needs your help "playing" it forward. The Violin program is looking for donors to continue providing this wonderful program for future students at Brecht. This years sponsors who donate over \$100 will have the opportunity to have their name and logo on the back of the Brecht Violin Program t shirts that all students wear in their performances, and in the Brecht yearbook. If you need more information or need an order form please contact brechtpto@gmail.com, or Whitnee (717)515-3587. Additional information about the fundraiser is available as a brochure in the main office.
